

# ANDREW MARTIN

## *Beehive Barley*

Cushion

*Geometric rectangular cotton cushion in beehive yellow*

A luxurious cushion made from **Beehive Barley**, a circular ikat spot design, which forms a loose geometric pattern similar to the structure that honeybees like to make. Finished in **Otter Barley** piping, this is a fresh design that will bring a joyful splash of colour to your home.

Printed in the Lake District using ECOFAST technology, a digital printing method which uses 50% less water than traditional techniques.

### *Specification*

|                       |                     |
