

ANDREW MARTIN

Captain Rope

Cushion

Luxury textured cushion in neutral rope

Made from **Captain Rope**, a geometric weave on a soft linen warp, this cushion offers real softness and warmth after a long day at sea. Ideal for introducing a layer of texture and colour to any sofa, armchair or bed, Captain Rope is stuffed with an ethically sourced wool pad for added comfort.

The cushions in our Boathouse collection are filled with responsibly sourced wool from British farms, in partnership with **The Woolkeepers®**.

These wool pads are breathable, soft, and thermoregulating, whilst also being kinder to the planet by promoting biodiversity. Scan the QR code on your Andrew Martin cushion filler to learn everything there is to know about where the wool comes from.
