Wild Wood Ivory

Cushion

Floral linen cushion in ivory

A soft and plump feather-filled cushion created from our [Wild Wood Ivory](#) fabric. This cushion features large, colourful blooms in a painterly pastel and warm orange palette. Delicately painted stems and leaves add to the botanical look, finished off with piping in complementary [Pollen Pink](#). This cushion is part of our Secret Garden collection.

Printed on the edge of the Lake District using ECOFAST technology, a digital pigment printing method which uses 50% less water than traditional techniques, ensures it is also kinder on our planet.

Also available as an outdoor cushion. [Shop Wild Wood Ivory Outdoor](#).
