Driftwood Storm

Cushion

Luxury textured cushion in storm grey

A luxurious cushion made from grey **Driftwood Storm**, a rustic boucle pile which forms a smart geometric herringbone pattern on a lovely natural ground. Finished in soft **Medici Taupe**, this cushion is ideal for introducing a layer of texture and colour to any sofa, armchair or bed and comes stuffed with an ethically sourced wool pad for added comfort.

The cushions in our Boathouse collection are filled with responsibly sourced wool from British farms, in partnership with **The Woolkeepers®**.

These wool pads are breathable, soft, and thermoregulating, whilst also being kinder to the planet by promoting biodiversity. Scan the QR code on your Andrew Martin cushion filler to learn everything there is to know about where the wool comes from.
