Fasano Blush/Alezio

Cushion

The calming and elegant Fasano herringbone print in a rustic blush shade has been paired with Alezio, a soft metallic fringe to bring a sense of southern Italy's effortless luxury into your home. Designed in collaboration with renowned interior designer Sophie Paterson this cushion has been handmade in the UK and filled with sustainably sourced duck feather and down. Mix and match with other cushions from our [Brindisi](#) collection to bring some relaxed Mediterranean grandeur to your home.

The fabric used in this design is printed on the edge of the Lake District using ECOFAST technology, a digital pigment printing method which uses 50% less water than traditional techniques.
