Friendly Folk Happy Blue

Cushion

Inspired by 15th and 16th century tapestries, this **Friendly Folk** cushion, from our Kit Kemp collection, shows bushy tailed creatures peering amongst hedgerows, blooming trees and rolling English hills. With a rich sense of folklore and the lyricism of rural land, Friendly Folk is made contemporary in vibrant blue. Handmade in the UK, filled with sustainably sourced duck feather and down and complete with snow white, vintage velvet contrast piping.

The fabric used in this design is printed on the edge of the Lake District using ECOFAST technology, a digital pigment printing method which uses 50% less water than traditional techniques.

Also available as an outdoor cushion. [Shop Friendly Folk Happy Blue Outdoor.](#)
