Jetty Heather

Cushion

Luxury textured cushion in heather

A luxurious cushion made from soft pink **Jetty Heather**, a woven linen weave on a natural warp with a cross coloured weft. Ideal for introducing a layer of texture and colour to any sofa, armchair or bed, this cushion is stuffed with an ethically sourced wool pad for added comfort.

The cushions in our Boathouse collection are filled with responsibly sourced wool from British farms, in partnership with **The Woolkeepers®**.

These wool pads are breathable, soft, and thermoregulating, whilst also being kinder to the planet by promoting biodiversity. Scan the QR code on your Andrew Martin cushion filler to learn everything there is to know about where the wool comes from.
