Ostuni Storm/Medici

Cushion

Designed in collaboration with renowned interior designer Sophie Paterson, the rustic batik style **Ostuni** print is given an extra luxurious edge with thick Medici Charcoal velvet piping. This cushion is handmade in the UK and filled with sustainably sourced duck feather and down. Pair with other cushions from our **Brindisi** collection to be instantly transported to the sun-soaked landscape of Italy's Salento region.

The fabric used in this design is printed on the edge of the Lake District using ECOFAST technology, a digital pigment printing method which uses 50% less water than traditional techniques.
