Totem Ivory

Cushion

Embroidered cushion in totem linen in ivory

A linen, embroidered cushion made from **Totem**, a new fabric part of our **Folklore collection**. A close covered chain stitch design on linen. This smart linear pattern resembles that of a Totem Pole commemorating and remembering ancestry, folklore, history and cultures. Piped in **Medici Chalk**.

The feather filling is sustainably sourced from Scandinavia and contains 50% recycled feather from recycled duvets and jackets.
