Yurt Ember

Cushion

Embroidered cushion in yurt linen in ember

A linen, embroidered cushion made from **Yurt**, a new fabric part of our **Folklore collection**. Yurt is inspired by an original yurt hanging cloth from Mongolia. With amazing detailed embroidery and chain stitch, this design can be used for real impact in the Ember colourway, or for a soft and subtle backdrop in the **Ivory**. Piped in **Medici Raw Umber**.

The feather filling is sustainably sourced from Scandinavia and contains 50% recycled feather from recycled duvets and jackets.
