Curzon Storm

Fabric

Designed in collaboration with Sophie Paterson Curzon is a vintage snakeskin print in a crisp grey colour. Layered over the top of the smaller detailed design is a fine line geometric motif, evocative of the arched window and doors that line Mayfair's pretty Curzon Street. This design has a relaxed, organic feel offering a pleasing contrast to the more linear designs in this collection.

Printed on the edge of the Lake District using ECOFAST technology, a digital pigment printing method which uses 50% less water than traditional techniques, ensures it is also kinder on our planet.
