Fasano Celadon

Fabric

Designed in collaboration with Sophie Paterson Interiors, Fasano Celadon is a calming, elegant herringbone print in a sun soaked green Celadon hue. This simple design is printed in the UK, but inspired by Italy's southern peninsular, helping you to bring an element of Salento's relaxed modern sophistication into your own home.

Printed on the edge of the Lake District using ECOFAST technology, a digital pigment printing method which uses 50% less water than traditional techniques, ensures it is also kinder on our planet.
