Friendly Folk Happy Blue

Fabric

Inspired by 15th and 16th century tapestries, Friendly Folk shows bushy tailed creatures peering amongst hedgerows, blooming trees and rolling English hills. With a rich sense of folklore and the lyricism of rural land, Friendly Folk is made contemporary in vibrant blue. A linen blend fabric, great for upholstery, curtains and cushions.

Printed on the edge of the Lake District using ECOFAST technology, a digital pigment printing method which uses 50% less water than traditional techniques, ensures it is also kinder on our planet.
