Glacier Storm

Fabric

Glacier Storm is a strong, graphic geometric print in moody grey. A supple linen blend, woven and printed in the UK, it is perfect for curtaining, cushions, blinds or upholstery. Join us on a journey to the maze-like streets of the Middle East.

Printed on the edge of the Lake District using ECOFAST technology, a digital pigment printing method which uses 50% less water than traditional techniques, ensures it is also kinder on our planet.
