

ANDREW MARTIN

Hedgerow Quince

Fabric

A patchwork style motif showing the playful faces of mythical creatures prancing between abundant fruit trees. Spot a dragon sprawling amongst succulent plums and a spotted leopard dancing with a strawberry bush. This traditional cotton twill imbued with tales of old is brought up to date with vibrant yellows, blues and greens in painterly fairy tale allure.

Printed on the edge of the Lake District using ECOFAST technology, a digital pigment printing method which uses 50% less water than traditional techniques, ensures it is also kinder on our planet.
