Noble Oak Mist

Fabric

Oak leaf viscose linen fabric designed with Sophie Paterson

A viscose linen print featuring a beautiful and simple line drawing of an Oak leaf, hand sketched by Sophie. It is the hero design of the **Woodland collection** designed in collaboration with interior designer, Sophie Paterson. Nothing symbolises the British countryside more.

Printed on the edge of the Lake District using ECOFAST technology, a digital pigment printing method which uses 50% less water than traditional techniques, ensures it is also kinder on our planet.
