Ostuni Blush

Fabric

Inspired by the ornate architecture of the town's cathedral, Ostuni is an elegant batik style print in a soft and rustic blush shade. This versatile fabric is printed in the UK and designed in collaboration with renowned interior designer Sophie Paterson. We suggest pairing Ostuni with Fasano or Apulia to bring some rustic Mediterranean grandeur to your home.

Printed on the edge of the Lake District using ECOFAST technology, a digital pigment printing method which uses 50% less water than traditional techniques, ensures it is also kinder on our planet.
