

ANDREW MARTIN

Emerson

Chest Of Drawers

Designed to work in both classic and contemporary interiors, Emerson is a smart and timeless chest of drawers, made from dark chocolate oak veneer with a white concrete effect top. A total of seven, soft close drawers of multiple sizes provide ample storage and organisation space, whilst the drawer fronts are finished with smart bronze or stitched leather handles. This timeless piece is designed to fit seamlessly into classic or contemporary spaces which will be delivered to ground floor only.
