## *Bridge Coffee Table*

Coffee Table

*Reclaimed wood coffee table*

The Bridge collection blends the shape of a classic English refectory table with inspiration from world-famous suspension bridges, echoed in the architectural lines of the frame trusses. Fashioned from century-old oak reclaimed from traditional Chinese houses and handcrafted using mortise and tenon joinery, a time-honoured woodworking technique that dates back thousands of years. The simple, geometric silhouette highlights the timber's beautiful grain pattern and characterful knots and cracks from its past life.

### *Specification*

Product Code:	CT0232
Product Height:	40 (cm)
Product Width:	200 (cm)
Product Depth:	108 (cm)
Weight:	74 (kg)
Collection:	Timothy Oulton
Packed Weight:	90 (kg)
EU Commodity Code:	94036010
Country of Origin:	China
