### Side Table

*Side table trunk in oxidised brass*

Stonyhurst College was founded in 1593 and remains one of the UK's most prestigious boarding schools. Stonyhurst transforms Timothy Oulton's travel-inspired trunks into functional furniture. Finished here in oxidised brass, whilst preserving all the hallmarks of traditional craftsmanship in its construction and detailing. Popular throughout history for its beautiful golden colour and glossy shine, brass gives a wonderful vintage look. Our oxidised brass conveys a sense of age. Strong, hardwearing and non-corrosive.

### *Specification*
