Herringbone throw in mid grey

Crafted from 100% pure wool, our Herringbone Throw is a celebration of natural fibers, providing you with a soft and sumptuous feel. The use of pure wool not only enhances the throw's warmth but also reflects our dedication to sustainable practices. Wool is a renewable resource, making this throw an eco-friendly choice that aligns with our commitment to environmental consciousness. Woven with care in the heart of Yorkshire, these throws are created from the fleece of small farm herds of sheep, ensuring not only the highest quality but also supporting local communities.
