Piemonte Chandelier

Chandelier

Piemonte glass chandelier

Hanging from an elegant chain, it features stylish golden metalwork which extends and unfurls like the branches of a tree. These branches support a series of textured glass crystals for a wonderfully graceful aesthetic, whilst its four bulbs flood your room with radiant light.

With its bold design and lavish colouring, the Piemonte Chandelier is thoroughly stylish. Suspended above your living room or dining room, it is sure to become a talking point.
