Wall Light

Melange wall light in polished nickel with alabaster

Contrasting natural alabaster with metal in a rounded form, Melange Disk by Kelly Wearstler blends the organic and the luxurious for a modern chic interior. A carved alabaster shade creates a soft glow on walls and surfaces, while the streamlined shape softens angular or minimalist surroundings. Alabaster contains unique variations in both veining and tone, offering a custom character that is collectible in appeal. Bronze, burnished antique brass, or polished nickel detailing adds contrast and shine.
