Predock

Wall Light

Modern wall light in black brass

Predock combines a streamlined silhouette with significant materials; the result is clean and modern. Light pours down from the honed nero marea marble shade and contrasts beautifully with the black brass metalwork. Available as a chandelier or sconce, Predock adds a sophisticated look to hallways, kitchens, dining rooms and more.

Specification

| | |
|--------------------|--|
| Product Code: | LMP1824 |
| Product Height: | 25.4 (cm) |
