Outdoor Cover

Cayman chair cover

Each of our outdoor covers has been shaped with longevity, rain-resistance and practicality in mind, offering year round weather protection. Constructed from PVC-ST, a heavy duty material which is 100% waterproof, UV stabilised and tested to withstand temperatures of +60°C to -30°C. Strong, durable and long-lasting these covers are easy to clean and do not fade or bleach over time. Each cover has a 5 year guarantee.
