Dining Chair

Iconic zig zag dining chair

This iconic, simple and elegant dining chair is designed with inspiration from the unique style of Denmark's most prolific chair designers. Magnus is formed from the clean lines of a dark stained wood frame with a back and seat upholstered in creamy, natural coloured linen fabric with irregular textured slubs. The short arms provide freedom of movement and the pivoted back allows you to settle in comfortably, suitable for a range of contemporary spaces including for commercial contract use.
