

# ANDREW MARTIN

## *Pear Tree Setting Plaster*

Wallpaper

Inspired by American folk art, this motif will whisk you away to stories of old unleashing childlike enthusiasm for fairy tales. Walk through an imaginative land, from rolling hills carpeted with wild flowers to a tree growing giant orange pears and a whole dance of mythical creatures along the way. With a subtle pink plaster backdrop setting a soft tone, this colourway shows the scene in a dawn light just as the magic is waking up.
