Iconic photographic artwork by Greg Brennan

Her Majesty Queen Elizabeth II, London, May 2015.

Step into the world of cultural icons with our new range of limited-edition photography artworks, featuring the renowned Greg Brennan. Printed onto the highest quality Fuji Crystal Archive Paper and protected by fine art plexiglass, each piece is framed with a deep matt black wooden frame, handmade in London.

As one of Britain's longest standing press photographers, Greg Brennan has captured some of the biggest news moments of the last 25 years and stored them within his ever-expanding library of pictures. While a sizable proportion of his work can be viewed in colour, his greater passion is for capturing, in black and white portraiture, the world's rebels, history-writers and world-shakers at their most candid, succinctly encapsulating their personalities with shots timed to perfection.

Each piece is a true work of art, capturing a moment in time that will be treasured for generations to come.
