Lost Piano

Plexiglass Artwork

An ethereal, dreamlike artwork depicting a female figure as she seems to be suspended below the surface of the water. Watery turquoise shades provide a pleasing contrast with the model's auburn hair and ribbons of fabric trail around her. In the background we see what appears to be remains of a grand room and piano in the bottom left corner. Printed onto smooth plexiglass this mesmeric piece is part of our ongoing collaboration with Cobra Art.
