## *Love Hotel*

Plexiglass Artwork

A snapshot into the rooms of the fictional 'Love Hotel', illuminated by pink neon lights to create a vibrant and electric work of art. The colours and shapes give this strikingly graphic piece an 80s feel that is perfect for creating a centrepiece in entertaining or dining rooms. By the artist Harley and part of our curated collection with Cobra Art, this photographic artwork has been printed onto plexiglass for a sleek and glossy finish.
