## *Sin Hotel*

### Masterpiece Artwork

Overflowing with dark and mysterious characters, James Chiew's Sin Hotel is an image that tells a thousand stories. One of only 12 made, you will discover something new in this limited edition, surreal and dreamlike piece each time you view it. Many of the hotel room scenes within it are painted with phosphorescent paint which creates an almost holographic effect, accentuated by a sprinkling of glitter which gives this piece a surreal glow effect when the lights go down. Creates quite the focal point for any room!
