

ANDREW MARTIN

Waterlady

Plexiglass Artwork

A surreal artwork capturing the incredible grace and agility of a dancer as she leaps through a shoal of fish, illuminated by the beams of sunlight cast through the water. The beautiful shape of the dancer's body is accentuated by the intense blue, watery background. Printed onto plexiglass this photographic piece by Mark Manson has a smooth and polished finished. Part of our curated collection with Cobra Art.

120cm x 80cm Specification

| | |
