Wonderful World

Plexiglass Artwork

All the iconic figures of the 20th century in one room, partying to the music that our Queen is performing as the master conductor DJ, playing on the decks. This large landscape photographic artwork in acrylic is full of playful humour and will incite fun conversation. Curated in collaboration with our partners Cobra Art, this is a limited edition artwork by James Chiew with only 100 pieces produced in each size and a certificate of authenticity with its limited edition number.
