## *Picket Leaf/Island Trim*

### Cushion

*Green ticking stripe cushion with cream fringe*

A soft and plump rectangular cushion created from our **Picket Leaf** fabric, a classic ticking stripe. Finished in luxurious **Island Trim Palm**, this feather-filled cushion is ideal for styling alongside the other small-scale prints and similar colours of the **Garden Path** collection, a homage to the English Garden.

The fabric used in this design is printed on the edge of the Lake District using ECOFAST technology, a digital pigment printing method which uses 50% less water than traditional techniques.
