## *Wild Wood Twig*

Cushion

*Floral linen cushion in twig*

A soft and plump feather-filled cushion created from our **Wild Wood Twig** fabric. This cushion features large, colourful blooms printed in warm earthy tones. Delicately painted stems and leaves add to the botanical look, finished off with washable piping in complementary **Villandry Rust**. This cushion is part of our Secret Garden collection.

Printed on the edge of the Lake District using ECOFAST technology, a digital pigment printing method which uses 50% less water than traditional techniques, ensures it is also kinder on our planet.
