Forest Multi

Cushion

Embroidered cushion in forest linen in multi

A linen, embroidered cushion made from **Forest**, a new fabric part of our **Folklore collection**. Forest multi is a bold printed folk design depicting trees, birds and animals from the natural world, with overlays and outlines of embroidery. A fantastically fun and playful design. Piped in **Medici Orange**.

The feather filling is sustainably sourced from Scandinavia and contains 50% recycled feather from recycled duvets and jackets.
