Furrow Honey

Cushion

Herringbone pattern cushion in yellow

A soft and plump square cushion created from our Furrow Honey fabric, a fine herringbone pattern. Finished with smart ticking stripe, Picket, it can easily be incorporated into your interiors alongside the other small prints and complementing colours of the Garden Path collection, a homage to the English Garden.

Both fabrics used in the design form part of our Garden Path collection, which is printed on the edge of the Lake District using ECOFAST technology, a digital pigment printing method which uses 50% less water than traditional techniques.
