Glacier Paradise

Cushion

Made from our popular **Glacier Paradise** fabric, this is a strong, graphic geometric cushion in pomegranate pink, navy and yellow with contrast piping in ticking stripe, **Savannah Paradise**. A supple linen blend, handmade in the UK and filled with sustainably sourced duck feather and down. Join us on a journey to the maze-like streets of the Middle East.

Both fabrics used in the design form part of our **Expedition** collection, which is printed on the edge of the Lake District using ECOFAST technology, a digital pigment printing method which uses 50% less water than traditional techniques.

The geometric nature of this design does have a slight pattern variation, and as a result it is not geometrically perfect.
