Jumbo Powder

Cushion

A sky blue linen blend cushion showing large painterly elephants padding through a dusty landscape, their tails twitching in the heat at the looming Indian taj's. Jumbo is a cushion full of character, billowing with romantic story that feels both age old and present. Be transported to heady India by the delicate details of the elephant's trunk or the flecks of vibrant pink and yellow in his saddlecloth. Handmade in the UK, filled with sustainably sourced duck feather and down and complete with stone-coloured, vintage velvet contrast piping.
