Sprig Sky

Cushion

Floral motif cushion in pale blue

A soft and plump square cushion created from our dainty floral motif **Sprig fabric** in pale Sky blue. The inspiration for this design came from an original Indian wood block used for printing. Finished with smart ticking stripe, **Picket**, it can easily be incorporated into your interiors alongside the other small prints and complementing colours of the **Garden Path** collection, a homage to the English Garden.

Both fabrics used in this design are printed on the edge of the Lake District using ECOFAST technology, a digital pigment printing method which uses 50% less water than traditional techniques.
