Sprig Stone

Cushion

Floral motif cushion in neutral stone

A soft and plump square cushion created from our dainty floral motif **Sprig** fabric in organic neutral Stone. The inspiration for this design came from an original Indian wood block used for printing. Finished with smart ticking stripe, Picket, it can easily be incorporated into your interiors alongside the other small prints and complementing colours of the **Garden Path** collection, a homage to the English Garden.

Both fabrics used in this design are printed on the edge of the Lake District using ECOFAST technology, a digital pigment printing method which uses 50% less water than traditional techniques.
