Volcano Paradise

Cushion

Volcano Paradise is a bold yet elegant ikat design in fiery pink with contrast piping in ticking stripe, **Savannah Paradise**. Handmade in the UK and filled with sustainably sourced duck feather and down.

Whilst every effort is made to make all cushions identical in pattern placement some will vary due to large pattern repeat of the Volcano fabric.

The **Volcano Paradise** fabric used in this design is printed on the edge of the Lake District using ECOFAST technology, a digital pigment printing method which uses 50% less water than traditional techniques.
