Volcano Tropic Outdoor

Outdoor Cushion

Volcano Tropic is a bold yet elegant ikat style design inspired by the traditional ikat prints of Indonesia. In vibrant hot pink the rounded shapes and flowing lines are relaxed and organic. Finished with contrasting piping in Delta Lava, this cushion feels smart and contemporary, perfect for turning your outdoor space into a cosy and comfortable living area.

This cushion is part of our collection 'The Great Outdoors', it has a shower resistant finish which is also anti -mould, anti-mildew and anti-microbial, and has been filled with a hollow fibre pad. Each fabric has been printed using EcoFast digital pigment printing methods, which use 50% less water than traditional print methods. We do recommend however, that these scatter cushions are looked after carefully and are best used in dry weather. As with most outdoor textiles, they prefer to be stored inside when they are not being used, or during periods of wet, cold or damp weather.
