Wren Storm

Cushion

Plain woven cushion with fringe designed with Sophie Paterson

An elegant plain cushion made from our **Wren fabric**, designed in collaboration with interior designer, Sophie Paterson. Wren is an intricately woven fabric consisting of wool, viscose and linen with a bouclé slub yarn for added texture. Woven through the weft is a softly twisted yarn in a storm grey shade. A beautiful design which mimics the incredible nest building skills of this small woodland bird. Finished with **Cocktail Vesper** fringe for a bright rustic edge, this feather-filled cushion is perfect for mixing with the other colours and prints of the **Woodland collection**.
