Alberobello Stone

Fabric

Part of the Salento collection inspired by Italy's southern sun kissed region, Alberobello Stone is a smooth printed velvet with a simple semi-circular design reminiscent of the dome shaped houses the town of Alberobello is known for. We suggest paring the pearlescent off white and silvery grey tones of Alberobello Stone with printed linens such as Apulia or Fasano to bring some of Salento's Mediterranean serenity into your own home.
