Apulia Storm

Fabric

Apulia Storm is an elegant ikat style print in a modern and versatile grey hue designed in collaboration with interior designer Sophie Paterson and inspired by the sun soaked landscape of Italy's southern Salento region. Printed in the UK, this simple and versatile print replicates shadows cast across the regions sparkling white buildings and dry-stone walls. We suggest mixing Apulia with Fasano or Ostuni in a mix of colourways to bring an element of the region's relaxed sophistication into your own home.

Printed on the edge of the Lake District using ECOFAST technology, a digital pigment printing method which uses 50% less water than traditional techniques, ensures it is also kinder on our planet.
