Audley Powder

Fabric

Designed in collaboration with Sophie Paterson this casual geometric print is reminiscent of beautiful architectural details that are dotted along Mayfair's South Audley Street. This elegant diamond pattern has been printed onto a smart linen blend fabric in a soft powdery blue and is perfect for layering with contrasting prints in similar tones.

Printed on the edge of the Lake District using ECOFAST technology, a digital pigment printing method which uses 50% less water than traditional techniques, ensures it is also kinder on our planet.
