Buttercup Cloud

Fabric

Floral block cotton print in cloud grey

Buttercup is a small Indian floral block print with a delicate flowerhead and leafy stem. A sophisticated design that will bring sub continental charm into your home. Composed of a light cotton and linen material, this luxury fabric has a lovely, breathable finish, and with 35,000 rubs it is suitable for upholstery as well as curtains.

Printed in the Lake District using ECOFAST technology, a digital printing method which uses 50% less water than traditional techniques.

Part of the Pavilion Collection.
