

# ANDREW MARTIN

## *Cambridge Camel*

### Fabric

A rich pinstripe wool in camel with a subtle white line. This warm colourway with oaty flecks will transport you straight to the rugged landscapes of Scotland, where coming in from a wind-stripping walk you curl up into a sofa by the fire. With anti-pilling technology and a Teflon finish this collection has long life and will maintain its high quality appearance over time.

### *Specification*

---
