## *Friendly Folk Basil* *Outdoor*

### Fabric

Inspired by 15th and 16th century tapestries, Friendly Folk shows bushy tailed creatures peering amongst hedgerows, blooming trees and rolling English hills. With a rich sense of folklore and the lyricism of rural land, Friendly Folk Basil is made contemporary in washed light grey.

This fabric has a shower resistant finish which is also anti-mould, anti-mildew and anti-microbial. Each fabric has been printed using EcoFast digital pigment printing methods, which use 50% less water than traditional print methods. We do recommend, however, that this fabric is looked after carefully and best used in dry weather. As with most outdoor textiles, they should be stored inside when not in use, or during periods of wet, cold or damp weather.

This fabric can be FR treated to BS5852 Match Upholstery for indoor use.
